One of the things that seems to be popping up in the news in recent years is the issue of "Gender Neutrality." What is this all about and what is really behind this movement? All over the country Gender Neutral rest rooms are coming into existence... teachers are being compelled to refrain from referring to their students as "Boy & Girls" and refer to them as simply "Students or Children" with no reference to their true gender. Stores are taking down signs referring to Gender; instead of there being a Boys and Girls clothing section in a store, these areas are being relabeled simply "Children's Clothing."

For some reason there seems to be a war on Gender Identity... why?

The issue of Gender Neutrality comes up often when dealing with issues of Transgender and Homosexuality. This is why there is a lot of controversy concerning this. Many parents are apparently not making efforts to talk about gender with their young children thinking that this will help eliminate the influence of one gender over another making everyone equal. They also hope that this will protect their children from being stereotyped by their teachers and peers as being more masculine or more feminine regardless of their true gender. Rather than capitulating to the various groups with differing opinions or understanding, wouldn't it be more prudent to seek and proclaim the truth? Contrary to popular belief, there are "Absolutes" in our world, and for a long time the truth has been under attack... nothing seems to be black or white anymore, but rather a neutral grey. When it comes to opinions... there is room for taking a neutral stance, but when it comes to truth or undeniable facts, neutrality is not an option! There are absolutes! There are indisputable facts that cannot be tampered with!

First, let's define human gender from a biological point of view. According to Dictionary.com a Male is described as follows:

## **Male: noun**

1. a person bearing an X and Y chromosome pair in the cell nuclei and normally having a penis, scrotum, and testicles, and developing hair on the face at adolescence; a boy or man.
2. an organism of the sex or sexual phase that normally produces a sperm cell or male gamete.

A Female is described as follows:

## **Female: noun**

1. a person bearing two X chromosomes in the cell nuclei and normally having a vagina, a uterus and ovaries, and developing at puberty a relatively rounded body and enlarged breasts, and retaining a beardless face; a girl or woman.
2. an organism of the sex or sexual phase that normally produces egg cells.

So, from a biological standpoint there are, with no doubt, distinct differences between Human Males and Females. They each serve different functions in reproduction, and besides the appropriate sexual organs for that purpose, there are other physical differences. One only has to go to the beach in the summer to see the differences; so why are so many people on the "Gender Neutrality" band wagon? To me the answer is simple... justification. People which include Cross dressers (transvestites), and people mostly in the Homosexual and Transgender Community are attempting to justify their sinful desires and practices and in the process, they are also encouraging others to take part in them as well! On the other hand, there are some other people (who say that they believe there actually is a god), that also do not believe this type of behavior is sinful at all! They claim God created homosexuals and transvestites that way so how can it be sinful if God created them that way? Atheists will usually add to this by taunting Bible believers saying that if we believe God is infallible how can this be challenged.

There are many churches throughout the United States full of people that believe like this; so where is the basis for their belief... does God create people to be Homosexuals or not? This is one of the questions we will address in this series.

Before we get started you need to ask yourself a few questions that only you can answer. First, do you personally believe in God? Second, do you believe that the Bible is indeed the word of God? Third, do you feel that God looks at things differently now as opposed to centuries ago? I will assume that most people attracted to this web site do believe in God, however, I believe a good many have never explored what God, through the Bible had to say about these subjects for themselves. Without getting sidetracked talking about the different interpretations or translations of the Bible, let's explore just a few Bible passages on the subject. I will focus in on a few "key words" and provide their generally accepted definitions to see how justified the Homosexual lifestyle is - *or is not*, in light of God's word the Bible. We will start with [Romans 1:18-27](#). When I read these passages, I have a lot of trouble trying to figure out why there is so much confusion about what is considered sin! Verse 18 makes it plain to me that there are things going on that are not pleasing to God. The word **Wrath** has a lot of definitions, none of which would be pleasant for anyone on the receiving end of it. Some of the definitions according to [Wordnik.com](#) are as follows: Fierce anger; vehement indignation; rage... I remember an old commercial that stated, "It ain't nice to fool Mother Nature", implying that punishment or consequences of some kind would follow. Well, I look at it this way... God created Mother Nature and it isn't wise to taunt Him by distorting the truth of His word either.

**Read the definitions of the words listed below that I underlined in the Bible verses that follow... I then invite you to read the verses with the definitions fresh in your mind.**

Now Please Read The Following:

### [Romans 1:18-27 \(NIV\)](#)

<sup>18</sup> The **wrath** of God is being revealed from heaven against all the godlessness and wickedness of men who suppress the truth by their wickedness,

<sup>19</sup> since what may be known about God is plain to them, because God has made it plain to them.

<sup>20</sup> For since the creation of the world God's invisible qualities--his eternal power and divine nature--have been clearly seen, being understood from what has been made, so that men are without excuse.

<sup>21</sup> For although they knew God, they neither glorified him as God nor gave thanks to him, but their thinking became futile and their foolish hearts were darkened.

<sup>22</sup> Although they claimed to be wise, they became fools

<sup>23</sup> and exchanged the glory of the immortal God for images made to look like mortal man and birds and animals and reptiles.

<sup>24</sup> **Therefore God gave them over in the sinful desires of their hearts to sexual impurity for the degrading of their bodies with one another.**

<sup>25</sup> They exchanged the truth of God for a lie, and worshiped and served created things rather than the Creator--who is forever praised. Amen.

<sup>26</sup> **Because of this, God gave them over to shameful lusts. Even their women exchanged natural relations for unnatural ones.**

<sup>27</sup> **In the same way the men also abandoned natural relations with women and were inflamed with lust for one another. Men committed indecent acts with other men, and received in themselves the due penalty for their perversion.**

After reading the Bible verses with the word definitions fresh in your mind, what conclusion did you come to? Does God condone Homosexuality or not?

Here are a few more verses out of the Bible that may influence your answer.

## [Deuteronomy 22:5 \(ESV\)](#)

<sup>5</sup> "A woman shall not wear a man's garment, nor shall a man put on a woman's cloak, for whoever does these things is an abomination to the LORD your God.

## [Leviticus 18:22 \(NKJV\)](#)

<sup>22</sup> You shall not lie with a male as with a woman. It *is* an abomination.

## [Leviticus 20:13 \(NKJV\)](#)

<sup>13</sup> If a man lies with a male as he lies with a woman, both of them have committed an abomination. They shall surely be put to death. Their blood *shall be* upon them.

## [1 Corinthians 6:9-10 \(NKJV\)](#)

<sup>9</sup> Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals, nor sodomites,

## [Jude 1:7 \(NKJV\)](#)

<sup>7</sup> as Sodom and Gomorrah, and the cities around them in a similar manner to these, having given themselves over to sexual immorality and gone after strange flesh, are set forth as an example, suffering the vengeance of eternal fire.

I trust that some of you reading this have had their opinions or understanding of what the Bible says about Homosexuality and the Gay Agenda challenged at the very least. It should be obvious to everyone that there is a concerted effort to distort truth. Many people are falling for the deception, and many have already paid the ultimate price, not just in physical death from diseases contracted as a result of the Gay lifestyle, but rather eternal separation from God.
